

Your Silver Shield Sensor is Now Active!

From now on, Silver Shield will automatically alert caregivers if you fall - even if you can't call for help.

Also, enjoy these benefits:

No need to wear anything or press buttons

Total privacy - no cameras, no microphones

Have questions?

Just ask your caregiver, or scan this QR code to watch a quick 1-minute explainer video.

Feel safe. Sleep easier. Silver Shield is watching out for you.
